

Dear parents,

This is to inform you and to invite you to join the Pupils' Parents Association (PPA=APA esp.) of this educational Centre. Just for this we want to explain you what is PPA=APA and what are its functions:

- To help the parents in the educational problems of their children;
- To elect parents' representatives in the School Committee of the Centre;
- To take part in the educational work of the Centre, and especially, in the complementary extramural school activities, which are hold for our children;
- To organize educational, cultural and sport activities, as well as excursions and celebrations, in which all of us are involved in;
- To stir up the collaboration relationships between the parents and the teaching staff;
- To contribute towards the functioning of the different services of the Centre.

Additionally, we inform you that there is the Article Association in our Centre, which is at your disposal, and where you can get more information about our activity.

It will give us a great pleasure if you join our Association, therefore it deals with the wellbeing of all of us, and especially, with the wellbeing of our children.
